4. Terms and Conditions of Sale

Acceptance and Binding - All purchase orders are subject to acceptance by JFD, and JFD shall have no liability until and unless the order(s) have been accepted. Clerical errors are subject to correction. JFD will not be bound by any representations or warranties which are not expressly set forth in writing by an officer of JFD.

Terms of Payment and Credit Approval - Terms of payment shall be as stated in the Order Acknowledgment. In the event payment is not made promptly when due, the Buyer agrees to be responsible for all costs incurred by JFD to obtain payment, including but not limited to attorneys' fees, court costs, collection agency fees, etc. Shipment of the products set forth in the Order Acknowledgment shall at all times be subject to the approval of JFD's credit department. JFD may at any time decline to make any shipment except upon receipt of payment or security, or upon terms and conditions satisfactory to JFD.

Prices and Taxes - All prices and quotations are valid for 30 days unless otherwise stated. Prices are quoted F.O.B. shipping point unless otherwise stated. Prices set forth in the Order Acknowledgment are exclusive of all applicable taxes. Whenever applicable, any taxes will be added to the Invoice as a separate charge to be paid by the Buyer.

Shipment - Shipping dates on the Order Acknowledgment are approximate, and may depend upon prompt receipt of drawing and data approval from Buyer. JFD shall have no liability for delays in delivery unless a guaranteed ship date applies. In the event a guaranteed ship date is delayed, terms of payment and invoice amounts shall be negotiated between JFD and the Buyer. All shipments are made at Buyer's risk. Method of shipment is at JFD's discretion, unless Buyer supplies explicit instructions that are acceptable to JFD. If JFD is prepared to make shipment, and Buyer delays delivery without prior consent from JFD, terms of payment shall apply as though delivery had been effected as of the date that JFD was prepared to make shipment.

Cancellation and Change Orders - Once an Order Acknowledgment has been issued, the order shall not be subject to cancellation unless cancellation charges are borne by Buyer for all work done by JFD, and for any obligations incurred by JFD associated with the order. Acceptance of change orders are subject to price renegotiation. Shipment schedule changes requested by Buyer are subject to renegotiation of price and terms of payment, at JFD's discretion.

Indemnity - All claims must be made in writing to JFD within ten (10) days after Buyer becomes aware of an incident. Buyer agrees to hold JFD harmless from any and all liability, and to pay all costs and attorney's fees, for injury or damage to persons or property caused in any manner by material covered by the Order Acknowledgment while in the possession or under the control of the Buyer or Buyer's successor(s) in interest. If a claim is based on information provided by Buyer or if the design for an item is specified in whole or in part by Buyer, Buyer shall defend and indemnify JFD for all costs, expenses or judgments resulting from any claim that such item infringes any patent, trademark, copyright, trade secret, or any similar right. No actions arising out of the sale of material or products covered by the Order Acknowledgment, other than an action by JFD to recover the purchase price of such material or products, may be brought by either party more than two (2) years after the cause of action occurs.

Force Majeure - JFD shall not be liable for any delay in the execution of the Order Acknowledgment, or in the delivery or shipment of goods, or for any damages suffered by Buyer or its customers by reason of such delay, if such delay is, directly or indirectly caused by, or in any manner arises from: fires, floods, accidents, civil unrest, acts of God, war, governmental interference or embargoes, strikes, labor difficulties, shortages of labor, fuel, power, materials, or supplies, transportation delays, or any other cause beyond JFD's control.
